California State Parks Mission

To provide for the health, inspiration and education of the people of California by helping to preserve the state's extraordinary biological diversity, protecting its most valued natural and cultural resources, and creating opportunities for high-quality outdoor recreation.

California State Railroad Museum Mission

The California State Railroad Museum preserves, and interprets the artifacts and culture of Western railroads and railroading for present and future generations. We use iconic collections, innovative and immersive exhibits, engaging interpretation and programs, and memorable events to create enjoyable experiences, empower learning and inspire appreciation for a diverse audience about the role and impact of the railroad and mobility in California, the West, and the Nation.

Museum Detective

Use your detective skills to match pictures below with the number of the location on the Museum map!

Dinner in the Diner

Railroad companies used their dining car experience and china patterns to advertise their trains. They often chose designs for plates and cups that matched the places the train would go. Take a look at all the different designs in the Cochiti Dining Car. What symbols would you use to show where you live? Draw your china pattern on the blank cup and plate below.

Fruit Growers Express

Farmers from California shipped fruits and vegetables throughout the country in the Fruit Growers Express refrigerated fruit car. They used colorful labels on their fruit crates to advertise their produce. Circle the fruit below that was not grown in California. What is your favorite fruit or vegetable?

Tools of The Railroad

Find the work site in the Chinese Workers' Experience Exhibit. Circle all the tools you see that the Chinese worker would have used to build the Transcontinental Railroad.

Sketch a Locomotive

Connect the dots to find the museum's biggest locomotive below.

So other locomotive is it?
