

Document Reproduction

Ordering

- Please complete the CSRM Library & Archives Reproduction Request form (<https://www.californiarailroad.museum/assets/videos/reproduction.pdf>)
- Orders may be submitted via email (Library.CSRM@parks.ca.gov), mail or in person
- You will receive an invoice detailing estimated reproduction, processing and shipping costs prior to starting your order

Payment

- Advance payment required. We accept major credit cards and checks (made payable to **CSRM FOUNDATION**)
- Please call the Library & Archives with credit card information; authorized staff will process your payment
- Special orders and requests may result in additional fees

Processing

- All duplication requests are subject to CSRM Library & Archives staff approval. An item is reproduced only if its condition is adequate to withstand the process
- Allow up to 5 weeks for offsite reproductions and 2-3 weeks for onsite reproductions. No rush orders
- Low Resolution scans are up to 200 dpi PDF files; High Resolution scans are 600 dpi TIFF files
- For the protection of our materials, we do not allow self-service duplication

Delivery

- Digital files will be sent by email, when possible. Larger files may be delivered via an online site
 - No delivery fees apply if picking up or downloading files in person at the Library and Archives. Please bring your own data storage device
 - Paper copies are sent either via the US Postal Service or UPS (see fees for details)
-
