***All Aboard for Story Time* with Sacramento Republic FC Player Adam Moffat on Monday, July 31**

SACRAMENTO, Calif. – It's *All Aboard for Story Time!* with Sacramento Republic FC midfielder Adam Moffat as a celebrity guest reader on Monday, July 31, 2017, at 11 a.m. at the California State Railroad Museum. To the delight of young children and soccer fans alike, Moffat will read the children's book *Thomas and the Big, Big Bridge (Thomas & Friends)*. Originally from Scotland, Moffat joined Sacramento Republic FC this season bringing with him MLS experience to the wildly popular local professional soccer team.

All Aboard for Story Time! is offered every Monday morning year-round. Through this interactive and fun program, parents are encouraged to let trains and railroading introduce and foster the love of reading with their imaginative young children ages two to five. The *Story Time!* program showcases different railroad-related books each month. Afterward, children and parents are encouraged to explore the Museum. Whether it's toy trains or big locomotives, there is always something to discover in the California State Railroad Museum – North America's most popular railroad museum – that will thrill children (and adults) of all ages.

The *All Aboard for Story Time!* program is included with Museum admission: \$12 for adults; \$6 for youths ages 6-17; free for children ages 5 and under. For more information about the reading program or the California State Railroad Museum in general, please call 916-323-9280 or visit <https://www.californiarailroad.museum/>.
