Offering the Only Authentic & Historic Train Ride Experience in the Sacramento Area, the 35th Season of Weekend Excursion Train Rides Resume on April 7 & 8

SACRAMENTO, Calif. – Presenting the only train ride experience behind an authentic, historic locomotive in the Sacramento area, California State Parks and the California State Railroad Museum & Foundation are proud to offer history-rich weekend excursion trains on the Sacramento Southern Railroad that begin on April 7 & 8, 2018. Each weekend through September 2018, guests can enjoy relaxing and memorable excursion train rides along the picturesque Sacramento River and waterfront pulled by either a vintage steam locomotive or a historic diesel locomotive depending on the weekend.

Diesel or steam, excursion train ride guests delight in the sights, smells and sounds of an authentic, historic locomotive as it rolls along the levees of the Sacramento River for a six-mile, 45-minute roundtrip excursion. Appealing to all ages, the experience offers guests the chance to enjoy train travel from an earlier era. The train features a combination of vintage closed coaches with comfortable seats, open-air “gondolas” with bench style seating or VIP train ride experiences onboard one of three of the California State Railroad Museum’s first class cars (depending on the weekend): the *El Dorado* lounge observation car, the Audubon dining car or the French Quarter lounge car from the 1950s that served the famed Southern Pacific “Sunset Limited” service.

Excursion train ride tickets are available to book online in advance at www.californiarailroad.museum or can be purchased in-person starting at 10:30 a.m. the day of the train ride (based on availability) at the Central Pacific Railroad Depot ticket office that will be relocated to the Central Pacific Passenger Station (Front & J Streets) in Old Sacramento State Historic Park. Excursion trains depart from the adjacent Central Pacific Railroad Freight Depot (on Front between J & K Streets) on-the-hour from 11 a.m. to 4 p.m. on the weekends the trains are running.

Regular excursion train tickets cost \$12 for adults, \$6 for youths (ages 6-17), and ages five and under ride free. For passengers desiring a first class train ride experience, tickets cost \$24 for adults, \$16 for youths and are free for children five and under. First class train tickets often sell out early so guests are encouraged to purchase tickets in advance. Groups interested in reserving the entire VIP car for a regularly scheduled ride need to do so in advance by calling 916-445-5995. If summer temperatures reach 100 degrees or higher, trains may be cancelled for the remainder of that day.

For more information about the weekend excursion train rides or the California State Railroad Museum in general, please call 916-323-9280.

California State Parks Mission

To provide for the health, inspiration and education of the people of California by helping to preserve the state's extraordinary biological diversity, protecting its most valued natural and cultural resources, and creating opportunities for high quality outdoor recreation.

About the California State Railroad Museum Foundation

The mission of the California State Railroad Museum Foundation (CSRMF) is to generate revenue and awareness on behalf of its destinations, while supporting the preservation, interpretation and promotion of our railroad heritage. The Foundation provides funding for ongoing support of numerous programs, both at the museum's Old Sacramento location and at the historic park in Jamestown, Calif. The Foundation and its board of directors is currently laying groundwork for a future California Railroad Technology Museum capital campaign proposed as part of the downtown Sacramento railyard development project.
